Product Summary

Heavy brass picture rail hooks give a traditional look but combine with our stainless steel hangers to function like a modern system. The design of the hook positions the cable close to the wall to ensure the picture sits at the proper angle rather than tilting forward as with old fashioned picture hooks. They are clear coated to prevent the brass from tarnishing. The pack includes 5 x Brass Picture Rail Hooks and 5 x 2m Stainless Steel Cable hangers. **Don't forget to order the hooks** to attach your art to the hangers - either [Standard Adjustable Hooks](#), [Slimline Mini Hooks](#), or [Push Button Hooks](#).
